

Using the Katy ISD Phone Directory

Open link from Katynet/District Information/KISD Phone Directory

Login using your **7 digit phone** ext with no spaces as the username, password should be **1qaz2wsx3edc** (should this not work please call the Technology Support Center to check on your Username. Be sure to tell them it is for the Cisco District phone directory.)

Click on User Options and select Directory.

Using the drop downs, type in what you need to search for and click on Find.

Review results.
